LAB-11732-13787 Tatton Unaddressed 937-272-171-U.Promoted by Promoted by Tatton Labour Party on behalf of Ryan Jade, both at Oak House, Chelford Road, Knutsford WA16 8LU. . Printed by Sterling, Sterling House, Kettering Venture Park, Kettering, Northants, NN15 6XJ.

Dear Resident,

When my parents moved from India to work for the NHS, it was round here that they made their new home. Growing up locally, I saw the hurt caused by damaging Conservative policies for families like mine. As a young carer for my brother, and first a charity volunteer, then a board member, I've supported local families and the most vulnerable. I'll keep fighting for the things people in Tatton tell me every day: services fit for the future, a sound economy, care for our communities. Above all, I'll be a hard-working, full-time MP - and proud to be our most local MP ever.

Best wishes

Ryan Jude

Chris Daniel, Wilmslow, Retired Senior Company Executive

I was a member of the Conservatives here in Tatton and voted for them for many years – but the chaos of the last few years has hurt everyone. We can't go on like this, and I know that only Ryan and Labour can deliver the change we need now. I'll be voting for him as I trust him to fight for us.

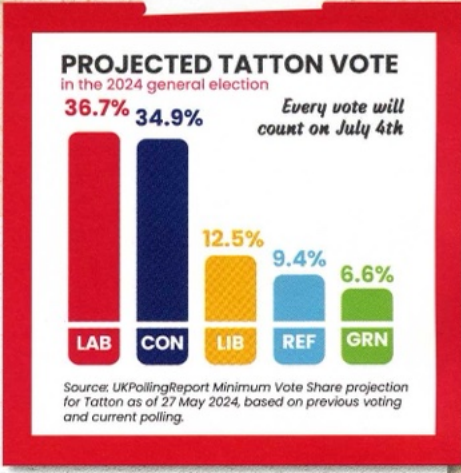

The Conservatives have failed Tatton
It's time for change!

Only Labour can defeat the Conservatives in Tatton!

In 1997, Tatton voted out a Conservative MP who wasn't working for us. In 2024, it's our chance to do that again by voting Labour. Polls show Labour neck-and-neck with the Conservatives in Tatton. Labour's Ryan Jude has a track record of delivering change as a local councillor, cabinet member, green policy expert, and with local charities. He's achieved real change and improved people's lives.

Ryan's priorities: building Tatton's future

- Tackling the cost of living crisis and fixing our broken public services
- Switching on clean energy to bring energy bills down
- Protecting our natural environment and ending sewage dumping in our rivers
- Building safe and prosperous towns, villages, and high streets
- Investing in our NHS, schools, housing, buses and trains, so they're fit for our future
